

City of Arlington

Text & Email Alerts

Name (please print): _____

Cell Phone Number: _____

Email Address: _____

Language Preference - Please Circle – English Spanish Other _____

Alerts will be sent out for messages such as snow alerts, road closures, and water or sewer work. The text & email alerts are a courtesy and will not prevent snow parking tickets if an alert is not received.

Signature: _____ Date: _____

***We are now using the BrightArrow system for sending text messages to you. The first time you receive a text message from us, arriving from 79041, you will also receive, as a separate text, an invite to continue receiving texts. It is important that you reply YES to that text message. If you do not reply to it, you will not receive further text messages. If later you decide you want to start receiving text messages, you can always text the word YES to the short code number 79041.*
