

CITY HALL, CITY OF ARLINGTON, SOUTH DAKOTA
June 16, 2026

The City Council met in regular session in the Municipal Building. Present on Roll Call were Mayor Curt Lundquist and Council Members: Terry Rowbotham, Robert Knadle, Sue Falconer & Beth Sundberg. Absent: Garth Johnson & Tom Bacon

Pat Carey from Banner Associates presented the Council with probable construction costs for an additional outlet for Lake Arlington as well as one for drainage and street improvements on Adams St., and drainage improvements from Ash St. to Lake Arlington. The Council agreed that Banner should begin the process to determine if an additional pipe is needed to drain Lake Arlington, and once that is determined they would discuss further actions.

Clarification was asked of the council on which gravel roads to put calcium chloride on. Marshal Mix was told to have them add it to Spruce down to Parry's driveway, Plum, Cottonwood, and Adams.

The culvert and manhole that is needed on Spruce St. was discussed and Mix was asked to get a list of what is needed with the costs and provide it to the owner as it has been customary in the past to charge the owner for the product and have the city install it.

Motion was made by Knadle, second by Sundberg, to approved to hiring Belle Spilde at \$15.00/hr.

One of the Council members asked about getting the fence up on the south side of the cemetery. Mix informed the Council that we have purchased the materials, we just need to get it installed.

Motion to adjourn was made by Falconer seconded by Rowbotham. All in favor—Carried.

Stephanie Damm, Finance Officer

Curt Lundquist, Mayor
